

The Hotello evening at Kobloth vineyard!

Montreal, September 19th, 2022

On Friday September 16th, 2022, the team had its first Hotello event after more than 2 years without corporate events!

On the program: degustation of wines and beers from the vineyard, visit of the microbrewery as well as facilities dedicated to wine making and then a delicious dinner shared together.

Thank you Kobloth vineyard for welcoming us, the event was a real success!
